

CEE CAPITAL MARKET
LEADERS FORUM

Apply now!

07-10 December, Warsaw, Poland

CEE Capital Market Leaders Forum 2018

New Technologies – New challenges.

International project focused on financial sector.
AI, Big Data & Blockchain.

CEE Capital Market Leaders Forum is a unique platform for **international cooperation**. Experts and participants during the fourth edition of the Forum will focus on the analysis of two topics: the future of capital markets in the CEE region – the opportunities and challenges, as well as the potential of Impact Investments in the Central and Eastern Europe.

The Forum is dedicated to **students**, who have completed their second year of higher education, and **young graduates**, with background in: finance, economics, law, management, business, IT and innovations.
